Remarks/Arguments:

The application has been amended. In particular, an amendment has been made to delete an incomplete Sequence Listing from the specification and replace it with a complete Substitute Sequence Listing, enclosed herewith. The Substitute Sequence Listing includes each of the sequences disclosed in the application as filed, and includes no new matter.

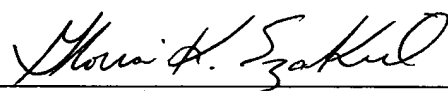

Moreover, the specification has been amended to include a reference to the corresponding Sequence Identifier Number wherever a nucleotide sequence is disclosed in the specification.

Similarly, claims 1, 2, 4 and 6 have been amended to include the corresponding Sequence Identifier Numbers for the nucleotide sequences disclosed in the claims.

The application is now believed to be in condition for examination. Should the Examiner have any questions or comments concerning this amendment, the Examiner is invited to contact the undersigned agent.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication, or credit any overpayment, to Deposit Account No. 08-2461.

Respectfully submitted,
